

Hey, ...Scruffy right?

I just had another hard day, risking my life for humiliating salary. My crew is two giggling imbeciles and one of them supposed to be my B.F.

All I need is a good fuck before I fall asleep. Wanna help me out?

My heart belongs to „miss February“ but my dick is free for a ride.

SLAP!

SLAP!

SLAP!

MILKY

WAY

This company is doomed without me
