

Wow, Kit!

You're a natural!

Are you really new to this?

I can't believe you can jump around so much without it popping out!

Really? I'm just doing what feels good.

It feels best when the whole thing goes in and out!

You think Kat will like it if I do it with him like this?

Trust me. Ride him like that and he'll be begging for more.

I hope so!

I want to do it with him lots!

Why is he suddenly spanking my butt? It's annoying.

Oh! I sit on his face a lot so that's our sign for when he's about to cum.

Push it in real deep then make short thrusts until he's done.

That's the way.

Force it in as deep as you can but don't stop moving.

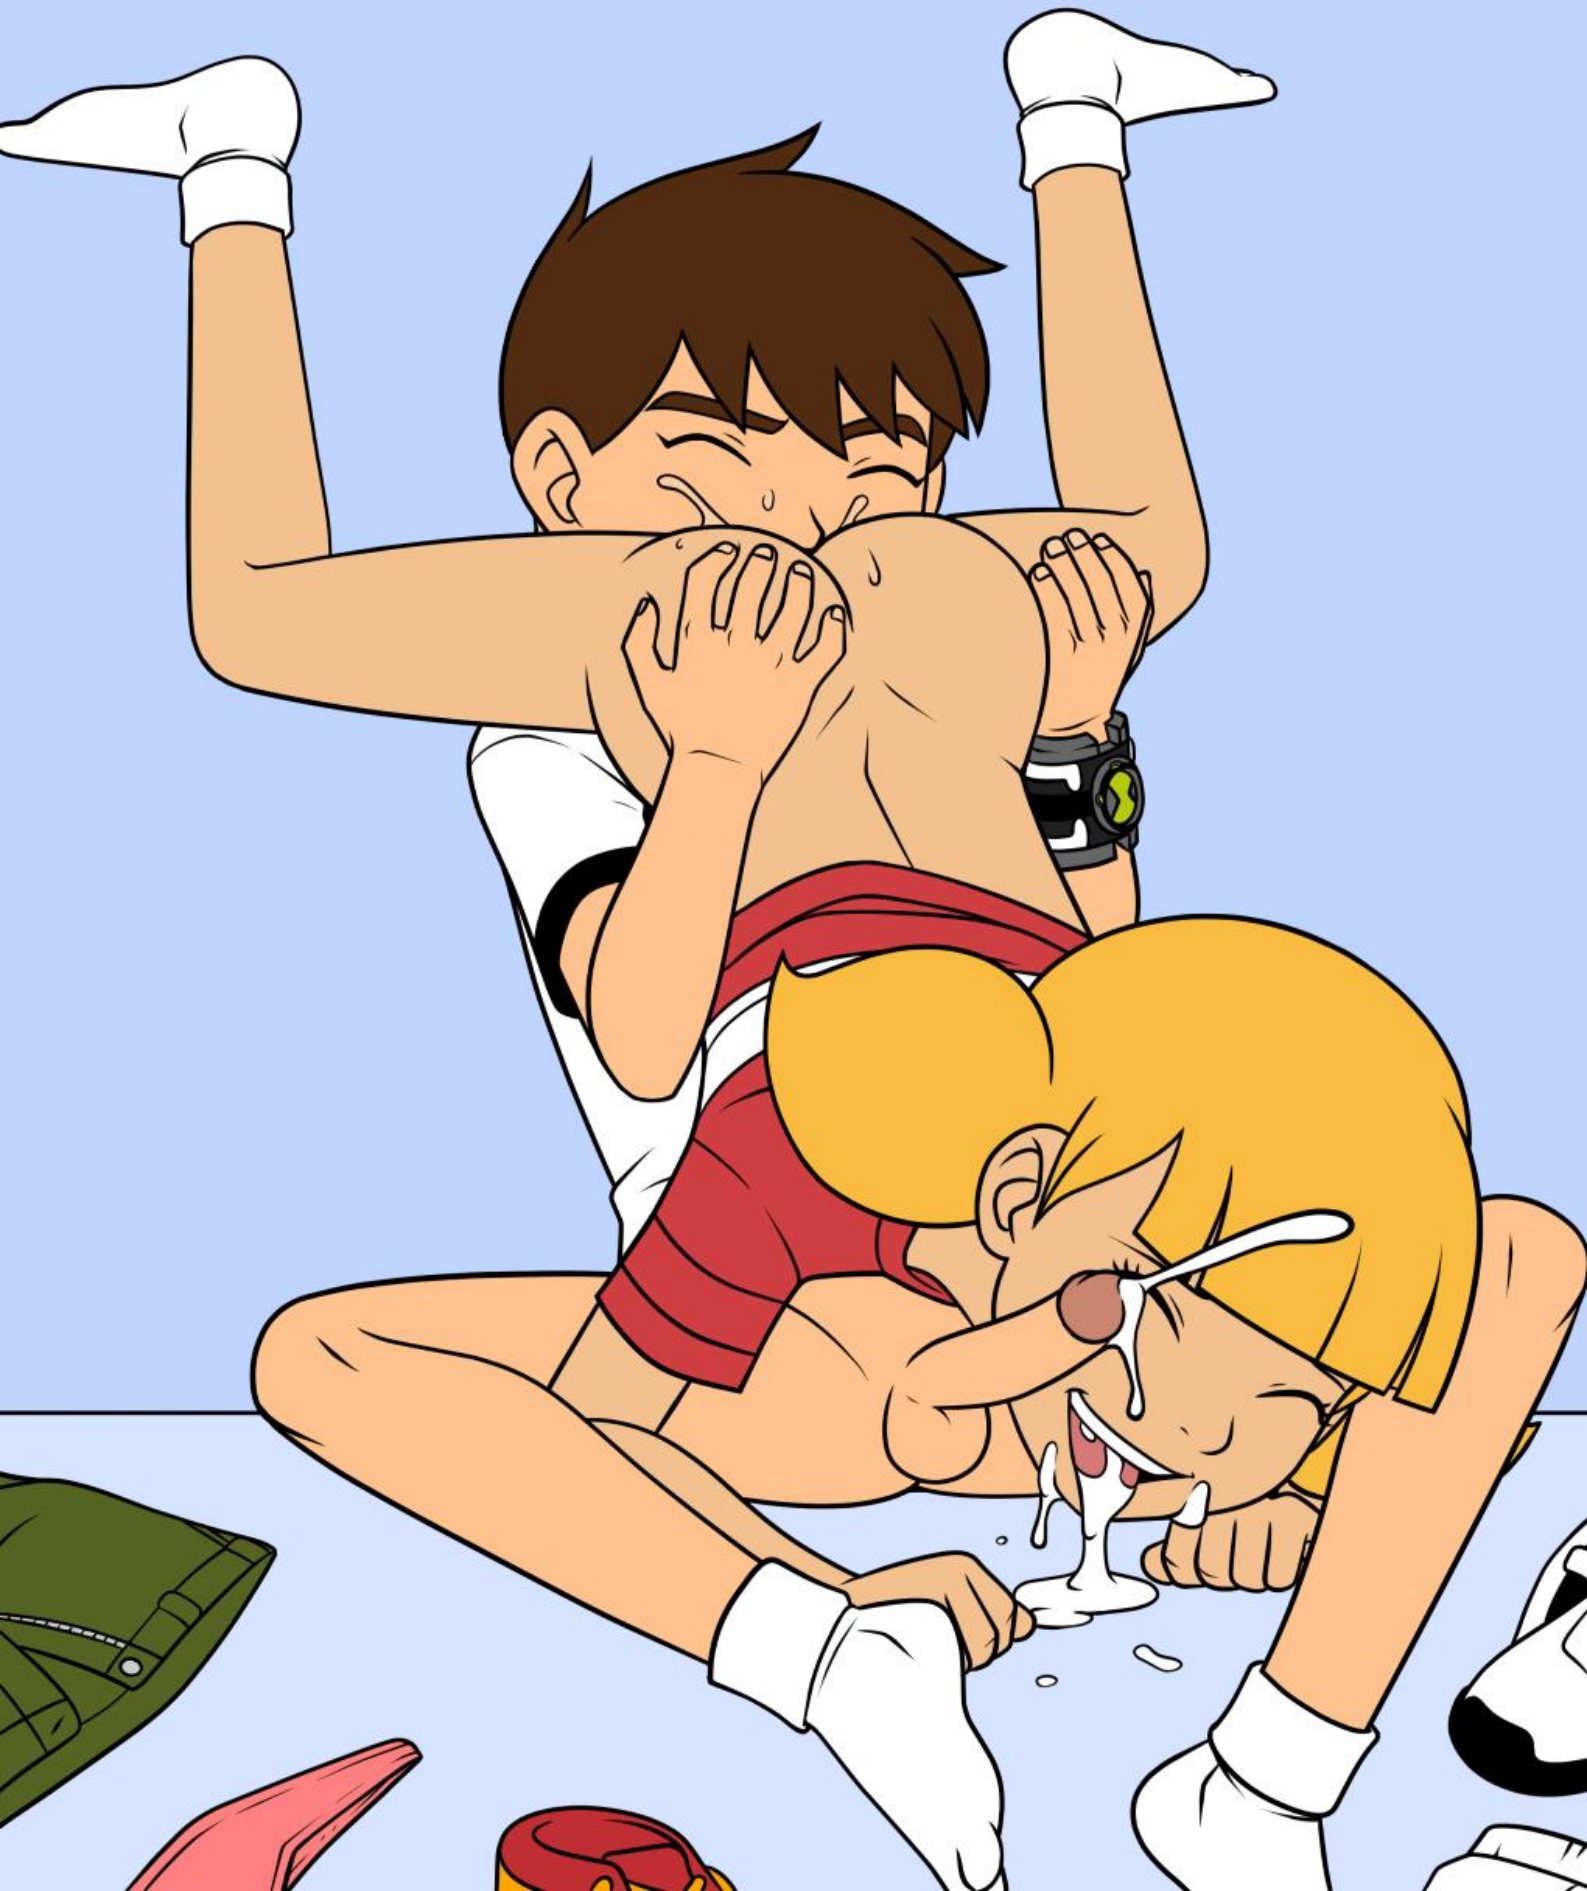

Impressive! I'd say you're ready! Just go for it!

Thanks, Gwen.

I'm gonna do it with Kat as soon as I get back.

Oh yeah! That's two holes down! Just one more to go!

AH!

HA!

Haha! I can feel it! It just keeps cumming! It feels so good!

AH!

Yeah, that's a nice one.

Good job. You ready for round 3?

Of course.

Well she's never done this one before so be gentle.

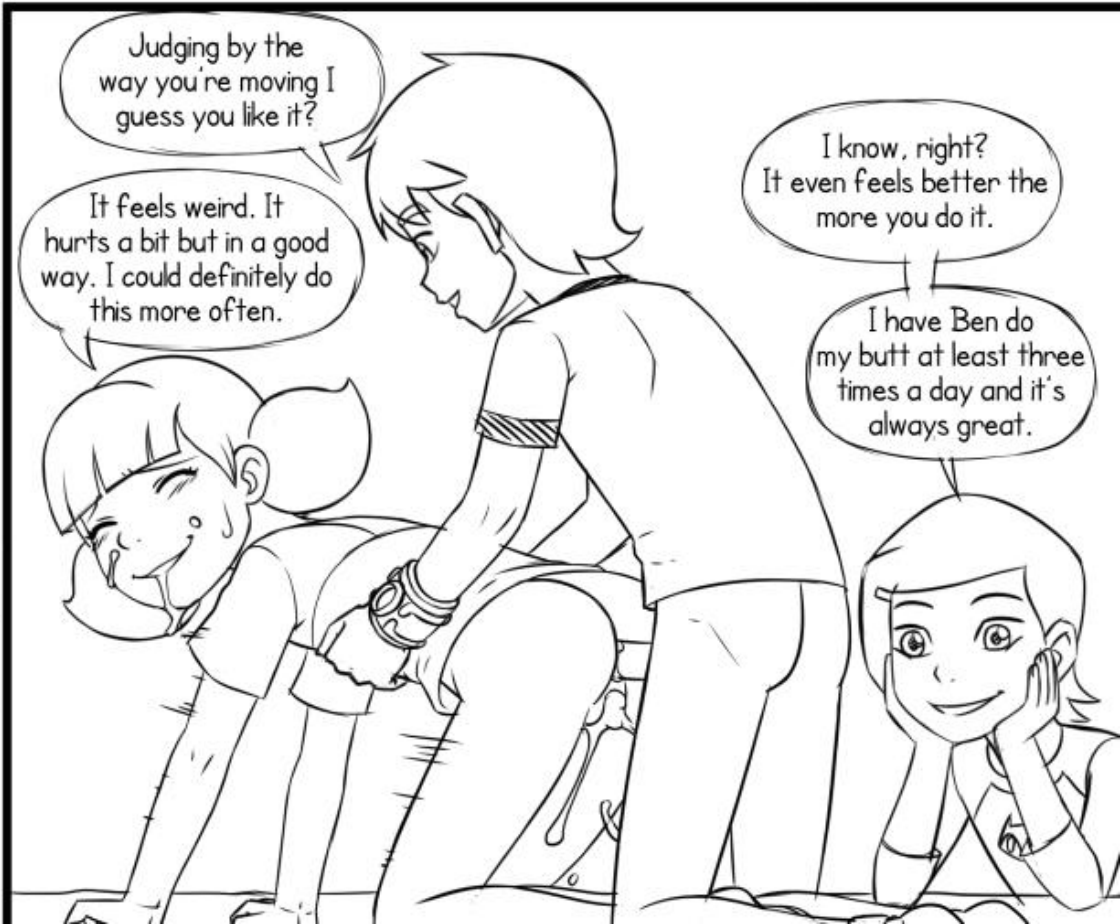

You sure you're ready for this?

Yeah. I'm a little nervous but I really want to try it.

All good. Just don't be as rough as you would be with mine.

Judging by the way you're moving I guess you like it?

It feels weird. It hurts a bit but in a good way. I could definitely do this more often.

I know, right? It even feels better the more you do it.

I have Ben do my butt at least three times a day and it's always great.

You're taking this well for a beginner.

How about I pick things up a bit?

Y-yeah. Go for it.

SLAPI!

SLAPI!

SLAPI!

GYAAH!

Hey, Penny. Are you okay?

Oh yeah. That's much better. I'm already about to bust another load. You ready for it?

SLAPI!

SLAPI!

MMPH!

HA!

AH!

HUUF!

Hey, slow it down. You're hurting her. Don't you dare ruin buttsex for her.

SLAPI!

SLAPI!

SLAPI!

SLAPI!

SLAPI!

SLAPI!

YES!

SHOOT IT DEEP INSIDE MY BUTT!

Alright! I'll fill you up extra deep then!

Guess I had nothing to worry about.

YES! MORE! GIVE ME MORE!

Oh, wow! That looks like it must have felt amazing! So how does it feel to have all three holes filled at once? Pretty nice, huh?

AHH!

HAA!
